

# THAI MASSAGE & SPA SERVICE OF THE YEAR

## Royal Chaopraya Thaimassage & Spa

The Royal Chaopraya is a charming and elegant Thai massage salon, just steps away from the Brandenburg Gate. Established in 2018, Royal Chaopraya has become an oasis of calm in the heart of the capital. With five spacious, beautiful massage rooms each furnished with Far Eastern accents, the salon is a tranquil massage haven. It offers a plethora of skin-soothing massages, including traditional Thai, acupuncture and aroma oil massages. They have also designed three massages specifically for the needs of weary travellers in need of relaxation and revitalisation after a long journey.

The judges were particularly impressed with the inclusion of highly specialised Thai spa practices on their menu which go far beyond the usual traditional massage. Royal Chaopraya offers a modern and unique form of body therapy, called the Thai Warrior Massage, that combines traditional Thai massage with a set of Thai Hermit Exercises (also known as yoga massage) assembled by Master Jack Shaman. The judges also commend Royal Chaopraya's gracious hospitality and commitment to providing the perfect relaxation experience. Guests are invited to take their time and enjoy the tranquillity with welcome drinks and whirlpool spa access also included. The salon takes a holistic approach to creating personal peace, enchantment and wellbeing.
